For sale is my Sonor drum kit.

It is a 5 piece kit, with high hats, crash and ride cymbals.

The shells have a satin finish with a blue-black fade colour.

I don't get a chance to play anymore so it is time to let it go to a better place.

It is a full birch kit giving a top dollar sound without a top dollar price.

The kit has never been used for gigs or transported, so is in excellent condition.

I currently use a Yamaha double bass pedal which I am willing to swap in place of the original Sonor single pedal.

\$750 if you want the single bass pedal.

\$900 if you want the Yamaha double bass pedal instead

Pastor's Post-It (Ps. Steve White)

"Is there not a cause?" (1Sam 17:29) Given its context this question has to be one of the most stirring, indignant, passionate, provoking questions that a teenager has ever asked. That same teenager went on to become a hero of the faith as he led an army, defeated God's enemies and maintained his integrity in the face of betrayal and brokenness. David wasn't perfect, his humanity tripped him up often; but he was open, real and repentant – qualities that endeared him to God.

The 'cause' is in our face today just as it was for David. Our integrity, character, families, marriages, masculinity, beliefs, are constantly under attack. Maybe we need to get some of that teenage angst happening and take up the challenge, because there is most definitely a cause.

Scripture

'If God is for us, who can be against us?'

(Romans 8:31)

"I am the resurrection and the life. He who believes in me will live, even though he dies; and whoever lives and believes in me will never die."

(John 11:25-26)

Editorial

"Jesus then went to the tomb of Lazarus with Mary, Martha and the rest of the mourners. There he asked them to remove the stone that covered the hillside burial place. Jesus looked up to heaven and prayed to his Father, closing with these words: "Lazarus, come out!" When Lazarus came out of the tomb, Jesus told the people to remove his grave clothes."
John 11:25-26

It is November and the year is fast coming to a close as we look to 2013 I have with purpose and intent chosen this verse.

Men of C3Church Monash; I challenge you to roll away the stone of your cave and to release your passion for God in 2013, to be loud and proud for God, to come into the light and out of the darkness, to resurrect your faithfulness, to rise again from the dead and to remove the constraints (grave clothes) of the past. To throw off what ever it is that is holding you back from investing, committing to the vision of the man, father, son in you. To enter into the new year with a renewed vigor a rebirth of your commitment to God, your family, your church, your pastor, the men in your church family and community.

I am urging you to find the Lazarus deep within yourself, to hear the command of Jesus and come out of your hiding place, deadness and into the open to again declare your life for God, to be committed to him, to love him, yourself and others.

We as a group, team have a lot to be thankful for and our potential is un-measurable when we work together for God's purpose in advancing his Kingdom.
